SUPPLEMENTARY AMENDMENT UNDER 37 C.F.R. § 1.116MS AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

A final rejection in this case was mailed on 8 January 2004, setting a time for response of 8 October 2004. A response was filed on 15 September 2004. An Advisory Action denying entry of the amendment was mailed 27 October 2004. The present paper seeks to address the criticisms set forth in the Advisory Action and thus to place the application in a condition for allowance. A petition for an extension of time of one (1) month until 8 November 2004 is included. This Supplemental Response, of course, assumes that the previously submitted amendment was not entered. It is believed that the proposed amendments place the application in a position for allowance for the reasons set forth in the remarks that follow the amendment itself. Therefore, reconsideration and entry of these amendments is respectfully requested.
